Dear colleagues,

It gives us immense pleasure to welcome you all to the FUSION 2024, First Physical Conference, a joint ESHRE, IFS and ISAR International Conference on Reproductive Medicine and ART. It is for the first time that ESHRE is officially conducting a Physical conference (similar to the best of ASRM and ESHRE) in Asia. The conference which will be held on 13th, 14th and 15th September 2024 will have plenary sessions, focused scientific talks, panel discussions and will witness a large number of expert National (ISAR and IFS members) and International Faculty. There will be 20 scientific leaders and pioneers in ART from Europe, who will be specially invited by ESHRE, as faculty for this meeting. There will also be 8 Pre Congress Workshops. There will be facilities for oral and poster presentations.

The academics promises to be cutting edge and the social programme will be unique and full of surprises. We have made all efforts to make this event a memorable one. We look forward to welcoming you all to FUSION 2024 for a wonderful three days of learning, catching up with old friends.
